## CLOSING QUOTATIONS OF MONEY.

Offerings and Sales at the Richmond Tobacco Exchange—Internal Revenue Collection—Foreign Advices.

**NEW YORK.** June 15.—Money easy at 1½ per cent. The closing rate was 1½c. Exchange steady; posted rates, 488@489½; actual rates, 487@487½ for sixty days and 488@488½ for demand. Governments steady; currency 6's, 106 bid; extended 3's 100 bid; 4's, coupons, 117½ bid.

Dealers on the Stock Exchange during the morning were fairly active. The sales amounted to 174,200 shares. Prices were somewhat irregular in the early dealings, but gradually settled on the whole market strengthened under good buying. At noon the general list was 5% to 1½ per cent. higher than at noon. New England was a weak feature, and at one time waisted 1½ per cent. but rallied with the general list toward noon. Stocks continued moderately active during the afternoon, but the tone was weaker. The announcement of the engagement of \$2,000,000 in gold for shipment to Europe by to-morrow's steamer caused considerable selling, which, together with bearish attacks, caused prices to go down steadily throughout the afternoon. The closing figures were generally fractionally lower, while New England was down 2½ per cent. Total sales, 324,000 shares.

New York Cotton Market.

New York, June 15.—Futures steady. Recepts at 2,000 bales, against 3,000 last week and 3,800 last year. Spot market easy at 1½c. decline in quotations, middling uplands.

Skins—40 pieces. Transactions to 2:30 o'clock, 15,000 bales. The weakness and declining tendency of Liverpool is reported to be in consequence of the negotiations that the passage of the Anti-Opium bill will regulate the large stock of cotton held in this country upon that market, as with the destruction of the contract system it can no longer be carried here.
